Terrence Brooks, an independent contractor and retired Air Force staff sergeant from Rockdale County, took the audience back to a familiar 1980 hit with One in a Million, You, by Larry Graham during the first McGill Idol competition Wednesday evening at The Commons at Fort McPerson. Brooks is the adult category winner.

Teria Litman, 11, daughter of Melinda Litman, chief, G4 Supply and Services Division with First Army, captured hearts with Stephanie Mills' Home. A student at Whitewater Middle School, Litman is inspired by her mom, who also sings. Litman listens to rhythm and blues, hip hop and jazz compositions. With her winnings, Litman plans to buy a cell phone and music player. The rest goes into savings, she said.
